In accordance with the Issuer's Continuing Obligations under the Rwanda Stock Exchange (RSE) Rule Book 2013, which requires prompt disclosure of material information to enable proper assessment of the financial position of an issuer, MTN Rwandacell Plc (MTN Rwanda) hereby issues this trading statement.

MTN Rwanda is in the final stages of preparing its reviewed results for the period ended 30 September 2025 (Q3 2025) and wishes to inform the capital markets and the public that its Profit After Tax (PAT) for this period is expected to be higher than the comparative PAT for the period ended 30 September 2024.

This expected improvement in earnings performance reflects the sustained execution of our commercial and cost-efficiency initiatives, which continue to yield positive results.

Key drivers include strong double-digit growth in service revenue, supported by continued momentum in our fintech business, as well as disciplined cost management and operational efficiencies that have strengthened EBITDA margins and profitability.

We remain committed to sustaining this growth trajectory through disciplined execution of our Ambition 2025 strategy and reinforcing our position as a trusted partner in delivering leading digital solutions for Rwanda's progress.

MTN Rwanda expects to release its unaudited Q3 2025 results on or around **November 03, 2025**.
